

Agenda Sun Application Tuning Seminar

May 19-21, 2009

Saint Mary's University

Loyola Academic Complex
(L271 on May 19/20 and L170 on May 21)

Halifax, NS, Canada

Part I - Tuning Serial Applications

Tuesday	May	19	09:00	-	17:30
---------	-----	----	-------	---	-------

Wednesday	May	20	09:00	-	12:30
-----------	-----	----	-------	---	-------

Part II - Shared Memory Parallelization

Wednesday	May	20	14:00	-	17:30
-----------	-----	----	-------	---	-------

Thursday	May	21	09:00	-	17:30
----------	-----	----	-------	---	-------

Instructor

Ruud van der Pas, Senior Staff Engineer
Technical Developer Tools
Sun Microsystems, Menlo Park, CA, USA

Part I - Tuning Serial Applications

Tuesday May 19 - Morning Session

Welcome and Introduction	09:00-09:30
Prologue	09:30-10:00
The Memory Hierarchy	10:00-10:30
<i>Coffee/tea break</i>	<i>10:30-10:45</i>
Processor Architectures	10:45-11:30
The Sun Compilers - Part I	11:30-12:00
<i>Lunch break</i>	<i>12:00-13:30</i>

Tuesday May 19 - Afternoon Session

The Sun Compilers - Part II	13:30-14:00
Lab 1 - Getting started and Compiler Options	14:00-14:45
Review Lab 1	14:45-15:00
<i>Coffee/tea break</i>	<i>15:00-15:15</i>
The Sun Compilers - Part III	15:15-16:30
Demo - Performance Analyzer	16:30-16:45
The Sun Performance Analyzer	16:45-17:30

Wednesday May 20 - Morning Session

<i>Review of first day and demos</i>	<i>09:00-09:15</i>
Serial Optimization Techniques	09:15-10:30
<i>Coffee/tea break</i>	<i>10:30-10:45</i>
Performance Tuning Case Studies	10:45-11:15
Lab 2 - Performance Analyzer	11:15-11:45
Review Lab 2	11:45-12:00
<i>Lunch break</i>	<i>12:00-13:30</i>

Part II - Shared Memory Parallelization

Wednesday May 20 - Afternoon Session

Introduction into Parallelization	13:30-15:00
<i>Coffee/tea break</i>	<i>15:00-15:15</i>
Automatic Parallelization	15:15-15:45
Lab 3 - Automatic Parallelization	15:45-16:15
Review Lab 3	16:15-16:30
Overview of OpenMP – Part I	16:30-17:30

Thursday May 21 - Morning Session

<i>Review of second day and demos</i>	<i>09:00-09:15</i>
Overview of OpenMP – Part II	09:15-10:30
<i>Coffee/tea break</i>	<i>10:30-10:45</i>
Lab 4 - Parallelization with OpenMP, Part I	10:45-12:00
<i>Lunch break</i>	<i>12:00-13:30</i>

Thursday May 21 - Afternoon Session

Lab 4 - Parallelization with OpenMP, Part II	13:30-15:00
<i>Coffee/tea break</i>	<i>15:00-15:15</i>
Overview of OpenMP – Part III	15:15-15:45
OpenMP and Performance - Part I	15:45-16:15
Lab 4 - Parallelization with OpenMP, Part III	16:15-16:45
Lab 5 - OpenMP performance tuning (for more experienced users)	
Review Lab 4 and Lab 5	16:45-17:00
OpenMP and Performance - Part II	17:00-17:30

Close Of Seminar
